

Crush on You

Aaron Carter

You found out, hit it
You found out I've got a crush on you You must have heard it from my best friend
She's always talkin' when she should be listening
Can't keep a secret to save her life
But still I trusted her with all I felt inside
I never knew a rumor spread so fast
But now the word is out all over town
That I'm longing for you [Chorus]
How did you know 'cause I never told
You found out I've got a crush on you
No more charades, my heart's been displayed
You found out I've got a crush on you Maybe I was the one who left a trace
Was there a message written on my face
Were my emotions so easily read
That you would know my thoughts before a word was said
Was it my eyes that let you know you had control
Because the way you move was so self-assured
You knew I would surrender [Chorus] Hit it, one time, get up, get down [Chorus: Repeat x2] You found out I've
got a crush on you [Repeat x2]
