

# Oh How I Miss You Tonight

**Jim Reeves**

The days are so long, nôt everything's wrng, For now I'm alone and blue.  
I still love you dear, I wish you were here. Come back and forgive me, please do.

Oh how I miss you tonight miss you when lights are low

Oh how I need you tonight more than you'll ever know

Each moment that we're apart you're never out of my heart

But I'd rather be lonely and wait for you only

Oh, pal how I miss you tonight.

(Repeat entire chorus from "Oh how I miss you tonight")
