

# Attack of the Fifty Foot Woman

## The Tubes

It was a normal date with my girlfriend Sue  
Blond hair, blue eyes, and five-foot-two  
The night was cold, the stars were bright

From over her shoulder came a strange lightWe parked the car down at Three-Mile Point

The top was down, we were really going

I heard her cry, the reactor flared

She grew and grew, I freaked and staredAttack of the fifty-foot woman

Our love was at an end

All she did to get her kicks

Was step on all the menI had to run just to save my skin

She scooped me up, I could not win

?My God,? I screamed, to my distress

Got a fifty foot woman in a five-foot dressAttack of the fifty-foot woman

Our love was at an end

All she did to get her kicks

Was step on all the menAttack of the fifty-foot woman

Our love was at an end

All she did to get her kicks

Was step on all the menLook out here she comes

The biggest pair on earth

So scared I gotta go with herThe National Guard couldn't shoot her down

Before she left she really trashed our town

She left me there, though I tried and tried

A fifty foot woman's never satisfiedAttack of the fifty-foot woman

Our love was at an end

All she did to get her kicks

Was step on all the men
