

# Never Gonna Get My Love

## The Sheepdogs

You saw through  
You came here for my love but its all you do  
Your all i ever wanted and i do  
You came from out of sight behind (?) view  
You keep looking for my love And i feel it, and its coming on (its not easy to be alone)  
Its so real and oh so strong (?)  
Ya i feel it and its coming on, coming on  
You're never gonna get my love, you'll never get my love (2x)  
And now you are digging for my love but you just weren't true  
You never gave your heart out of someone new  
Blew you off with the message won't go through  
You keep looking for my love And i feel it, and its coming on (its not easy to be alone)  
Its so real and oh so strong (?)  
Ya i feel it and its coming on, coming on  
You're never gonna get my love, you'll never get my love (2x)  
And i feel it, and its coming on (its not easy to be alone)  
Its so real and oh so strong (?)  
Ya i feel it and its coming on, coming on  
you're never gonna get my love, you'll never get my love (4x)
