## Bobby Sherman

Funny how so many moments slip away  
The things I meant to say  
I should have said them all  
before today to  
Jennifer, Jennifer

Funny how you'd smile  
and always understand  
When I got out of hand  
Have you forgotten  
all the fun we planned  
My Jennifer, Jennifer

And now you think  
you're getting in my way  
And all I want to do is find you  
and remind you  
But even if I may  
become a star someday  
I'd give it all away if it meant  
that I couldn't always stay  
With Jennifer, Jennifer

So now I'm beggin' you  
to come back home  
You never have to be alone  
We'll be as we were  
My Jennifer
