

Jennifer

Bobby Sherman

Funny how so many moments slip away
The things I meant to say
I should have said them all
before today to
Jennifer, Jennifer

Funny how you'd smile
and always understand
When I got out of hand
Have you forgotten
all the fun we planned
My Jennifer, Jennifer

And now you think
you're getting in my way
And all I want to do is find you
and remind you
But even if I may
become a star someday
I'd give it all away if it meant
that I couldn't always stay
With Jennifer, Jennifer

So now I'm beggin' you
to come back home
You never have to be alone
We'll be as we were
My Jennifer
