

Grand Theft Autumn

Fall Out Boy

Where is your boy tonight?
I hope he is a gentleman
And maybe he won't find out what I know
You were the last good thing about this part of town When I wake up
I'm willing to take my chances on
The hope I forget that you hate him more than you notice
I wrote this for you, for you, so You need him
I could be him
I could be an accident but I'm still tryin'
And that's more than I can say for him Where is your boy tonight?
I hope he is a gentleman
And maybe he won't find out what I know
You were the last good thing about this part of town Someday I'll appreciate in value
Get off my ass and call you
In the mean time I'll sport my brand new fashion
Of waking up with pants on at four in the afternoon D'you need him
I could be him
I could be an accident but I'm still tryin'
And that's more than I can say for him One, two, three, four Where is your boy tonight?
I hope he is a gentleman
And maybe he won't find out what I know
You were the last good thing about this part of town Won't find out
He won't find out
Won't find out
He won't find out Where is your boy tonight?
I hope he is a gentleman
Maybe he won't find out what I know
You were the last good thing about this part of town Where is your boy tonight?
I hope he is a gentleman
Maybe he won't find out what I know
You were the last good thing about this part of town
