

Old Age And Treachery

Waylon Jennings

Old age and treachery
Always overcomes youth and skill
Ain't too much that we won't do
What Waylon won't Willie will
Even though we've spent our lives
Charging up the wrong side of the hill
Old age and treachery
Always overcomes youth and skill
Some people say that our
Get up and go's, got up and gone
I don't know 'bout you, Willie
But I can still jump as high
I just can't stay that high that long
Even though we've spent our lives
Charging up the wrong side of the hill
Old age and treachery
Always overcomes youth and skill
Young bull says, "Old bull let's run
That heifer down and have a ball
Let's make her squawl"
Old bull says, "Young bull let's just
Ease on a down and love 'em all"
Old age and treachery
Always overcomes youth and skill
Rosie loves the raquet ball
She won't do it but her sister will
Damn, what'd you say that for
Ain't got a thing to do with this
I know what you're tryin' to do
You're tryin' to get half a song
Okay, we'll put your name on it
