

# The Guts of Christ

## Nunslaughter

Dripping blood  
Blood from my hands  
Hands of fear  
Fear of death  
Death to God  
God of gore  
Gore of guts  
The Guts of Christ  
The Guts of Christ  
Follow fools  
Fools will die  
Dying world  
World of sin  
Sin of man  
Man of gore  
Gore of guts  
The Guts of Christ  
The Guts of Christ  
Faith of dark  
Darkened times  
Times of change  
Change will fall  
Fall to the beast  
The beast of gore  
Gore of guts  
The Guts of Christ
