Cartoon World

U2

(eric carmen/john wesley harding)I like the colors
I like the way they move
They're all so brilliantly realized
They just could not be improvedI love the way the sex is so overt
I love the way the violence doesn't hurtIt's a cartoon world
It's exactly as it seems
And it's bigger than life
And better than all your dreamsIt's a cartoon world
It's a safer place to be
And it's better than real
A perfect facsimile
It's a cartoon worldI like the things their saying
I like the way they're said
I like to change the channels
While I'm lying in my bedFrom the commercial to the anchorman
They've done research on my attention spanIt's a cartoon world
It's exactly as it seems
And it's smaller than life
And better than all your dreamsIt's a cartoon world
It's a safer place to be
And it's better than real
And bigger than you and meAnd the stars are brighter
They've got more charisma
And more style than you and meI watch the news on tv
It doesn't mean a thing to me
What's a little ethnic cleansing?
That's the way it's always beenI was excited when the war began
Now I've got gameboy, I'm a happy manIt's a cartoon world
It's exactly as it seems
And it's bigger than life
And better than all your dreamsIt's a cartoon world
It's a safer place to be
And it's better than real
A perfect facsimile
It's a cartoon worldIt's a cartoon world
It's a cartoon worldIt's a cartoon world
It's a cartoon worldIt's a cartoon world
