

Tomorrow We'll Go to the Fair

[Tanya Goodman](#)

The sooner you sleep
The sooner you'll wake
The night will go faster, as quick as a wink
The morning will break
We soon will be there
Tomorrow we'll go to the fair We'll ride painted horses with wind in our hair
We'll always remember the laughter we shared
The sooner you sleep
The sooner you'll wake
Tomorrow we'll go to the fair
The merry-go-round will go up and down
We will raise our voices and sing merrily
We'll laugh at the clowns, who don't have a care
Tomorrow we'll go to the fair
