

# Hold You Down

## Bun-b

Now you been holding me down  
For such a long time now  
From back then till now in my story  
Straight from the hood  
You've always been there for me  
And you had my back when they  
Back when everybody said I wasn't anything  
It was you who kept me holding on  
No matter what was going on  
So whatever you need I got you yaa  
Reminiscing that 6 train from way back  
Now it's sky blue phantoms and stretch may backs  
For sweepin' them floors in them Bronx apartments  
Mira esta que ta on the red carpet  
When pun died you was the first to call me  
I never told you but you was there for me  
Whatever you need, I be there for you  
Crack, I got ya back, for real true story  
Now my loyalty will always be  
With you if you just promise me  
That you'll stay real just like you are  
'Cuz baby you don't have to change no  
You don't know how much you mean to me  
Whenever you're down you know that you can lean on me  
No matter the situation, boy I'm gon' hold you down  
You don't know how much you mean to me  
Whenever you're down you know that you can lean on me  
No matter the situation, girl I'm gon' hold you down  
Yo, 2005, Rakim and Jody Watley  
Watch me paint a picture so perfect quite possibly  
The realest frechest from BX to south beach  
I'mma always hold you down girl you can count on me  
So remember this whenever I call  
We go back too far, we been through it all  
Even though we haven't spoken so long  
Ain't nothing change, not a damn thing baby  
Now my loyalty will always be  
With you if you just promise me  
That you'll stay real just like you are

'Cuz baby you don't have to change no  
You don't know how much you mean to me  
Whenever you're down you know that you can lean on me  
No matter the situation, boy I'm gon' hold you down  
You don't know how much you mean to me  
Whenever you're down you know that you can lean on me  
No matter the situation, girl I'm gon' hold you down  
Like green is to autumn of some things must stay  
This industry yeah father made me this way  
Get between me and L-Lo, I simply stay  
You better off sweepin' leaves on a windy day  
So I don't care about the situation  
I'ma ride for you if there's a complication  
'Cuz every time you had my back and all  
When we were young, now you're Joey crack and all  
Now my loyalty will always be  
With you if you just promise me  
That you'll stay real just like you are  
'Cuz baby you don't have to change because  
You don't know how much you mean to me  
Whenever you're down you know that you can lean on me  
No matter the situation, boy I'm gon' hold you down  
You don't know how much you mean to me  
Whenever you're down you know that you can lean on me  
No matter the situation, girl I'm gon' hold you down  
You don't know how much you mean to me  
Whenever you're down you know that you can lean on me  
No matter the situation, I'm gon' hold you down  
You don't know how much you mean to me  
Whenever you're down you know that you can lean on me  
No matter the situation, I'm gon' hold you down  
Hold you down  
Down, down  
I'm gon' hold you down  
You down
