Sinch

Is someone there? Is someone there?
I can hear you breathing, I can hear you breathing
I know you're out there, I know you're out there
I can hear you breathing, I can hear you breathing
Wrong way, with all my heart with all my soul

You'll stay, who could complain when if all this goes
As planned I know, you'll stay with me
No, please stay, if all this goes
As planned I know we'll stay complete
