

You're My Heart You're My Soul

Modern Talking

Deep in my heart there's a fire burning hard
Deep in my heart there's desire for a start
I'm dying in emotion, it's my world in fantasy
I'm living in my, living in my dreams You're my heart, you're my soul
I keep it shining everywhere I go
You're my heart, you're my soul
I'll be holding you forever, stay with me together You're my heart, you're my soul
Yeah, a feeling that our love will grow
You're my heart, you're my soul
That's the only thing I really know Let's close the door and believe my burning heart
Feeling alright, come on, open up your heart
Keep the candles burning, let your body melt in mine
I'm living in my, living in my dreams
