That Jesus boy wey no dey shame
Because I no dey look their face

His grace my food I know the taste
Hmmm
Oya listen,
You see Food wey sweet you no go fit forget the taste
Oya leave it
I'm a lover boy
That car outside is another toy
The house is live is filled with Joy
Tell the enemy Nothing spoil..... Nothing spoil
I'm a lover boy
Range rover sport is another toy
Private Jet another toy
Chilling testify testify

Oya open your mouth
Say these words without a doubt
You can sing and you can out
Show the world what we all about

I sing today like yesterday
Cos everyday I give him praise
Eni ba dupe ore ana

Dance like brother David
I don't care if they think I'm crazy
Watch me rababa
Jo bata fun Oba

You known the deal
Jesu Kristi paid the bill
Words can't express the way I feel
