# Rolling Hills

## Van Morrison

Among the rolling hills I'll live my life in Him
Oh, I will live my life in Him among the rolling hills
With my wife and child I'll do no man no ill
Oh, I will do no man no ill among the rolling hillsDa-da-da-da-da-da-da-da-da-da-daAmong the rolling hills I'll read my bible still
Oh, I will read my bible still among the rolling hillsWith my pen I'll write my song among the rolling hills
With my pen I'll write my song among the rolling hillsDa-da-da-da-da-da-da-da-da-da-da, all right
Whoo
Yeah
Yeah
Whoo
YeahYeah, I will do my jig among the rolling hills
I will do my jig and live among the rolling hillsWith my pen I'll write my song among the rolling hills
With my pen I'll write my song among the rolling hillsAnd I'll stand and watch it all among the rolling hills
And I will stand and watch it all among the rolling hillsDa-da-da-da-da-da-da-da-da-da-da, againTake out my pen and write my song among the rolling hills
Take out my pen and write my song among the rolling hills, last one
I'll take out my pen and write my song among the rolling hills
