Pussy Crook

Mystikal

Callin' all cars, callin' all cars
Be on the look out for a pussy vandalism, over
A pussy bandit
Suspect is known in many states for dickin' yo woman, over
He is dangerous, be on the look out
I knock the muthafuckin' pussy off the hook
Huh, I take the face off the rapper fuckin' with the punch master
The tight line sharp shooter, the handsome assassin 'cause word expert
You don't know nothing bout this come on mama and get you
Something braid it up pimpin', I make a shy cryin' bitch start swimming
Take it off put cha legs up, see if I can touch the kitty
Fuck it fuck it suck it, 200 dollars, bitch that ain't nothing
Show me what cha working wit' but if ya pussy smellin' shrimpy ho
Get yo fuckin' shirt and shit somebody better stop her
She runnin' round this bitch ha pussy smellin' like red lobster
That's the type of bitch ya don't touch
Some hoes you can look at but the rest don't fuck
Dick don't fail me now
I knock the coochie lining out
If I hit it one time ya hooked
They call me the Pussy Crook
Dick don't fail me now
I knock the coochie lining out
If I hit it one time ya hooked
They call me the Pussy Crook
Somebody tell me the woman complaining talking bout I'm too sexual
But leave me alone with her, betcha I could sex the hoe
Fuck you like I ate my vegetables knock it down for an hour and a half
And still got dick left the door the man right chea
Fuck you on the floor and still shake the chandelier
I got it caught again somewhere
Stop that fuckin' runnin' and bring that ass over here
Bitch touch yo toes touch that wall work that pole
What you doin' after 2 am, in the hotel gotta give ya whatcha came for
Waste hittin' wash it off then face hittin' manojetwas I stay getting
If you can't work it then don't flirt you got them little bitty titties
Don't raise yo shirt I sort 'em out and some ain't stayin'
Take them fuckin' thongs off don't here wit' no plan I cut cha up
When I'm climmin' on ya throw it at cha like I'm a phenomenon

Dick don't fail me now
I knock the coochie lining out
If I hit it one time ya hooked
They call me the Pussy Crook

Dick don't fail me now
I knock the coochie lining out
If I hit it one time ya hooked
They call me the Pussy Crook
What the fuck you mean yo period done you can't gimme no lovin'?
Shit, it's time for funky fire boo hole pluggin'
She said, "I never done that stuff"
I said, "Well let me talk you through it, get the KY jelly"
Put a hump in yo back baby quit movin' yo leg
Get loose and relax lady she was actin' all timid
But the next thing you know she was humpin' back wit me
I was all the way up in that ass I was hard like a horse
She still wanted to do it fast, 2 hours and no part
Still talking bout, "Don't stop oh Lord"
Dick don't fail me now
I knock the coochie lining out
If I hit it one time ya hooked
They call me the Pussy Crook
Dick don't fail me now
I knock the coochie lining out
If I hit it one time ya hooked
They call me the Pussy Crook
Dick don't fail me now
I knock the coochie lining out
If I hit it one time ya hooked
They call me the Pussy Crook
Dick don't fail me now
I knock the coochie lining out
If I hit it one time ya hooked
They call me the Pussy Crook
