Fruit Salad Stains

Clem Snide

Break your back
I knew that you would
From sit ups gone wrong
Your muscles are young
And break your nose
I knew that you could
From sneezing all wrong
And scratching too long
Mind your eggs
There's sugar inside
But sunny side down
Like your holiday frown
And mind your skin
The wax paper sticks
To the hard candy shell
And thought bubbles swell
And break your back
The monster truck full
There's nowhere to park
And it's after dark
And break your nose
Another spring cold
And fruit salad stains
You just can't explain
