Robot

WARKOP

Nikto nichego nikogda ne poymet
Takaya lyubov', iskusstvennyi med
Iskusstvennyi med, iskusstvennyi led
Iskusstvennyi rai, skoree vklyuchai
I ya nikomu ne skazhu, chto ya robota lyublyu
Robota lyublyu, robota lyublyu
Robot, robot, robot,
Ya tebya lyublyu, my tak khoteli
Robot, robot, robot,
Ya tebya vklyuchu I poleteli
Robot, robot,
V tvoem serdtse elaktronnye meteli
Poleteli, poleteli, poleteli, poleteli
Robot, robot, robot,
Ya tebya lyublyu, my tak khoteli
Robot, robot, robot,
Ya tebya vklyuchu I poleteli
Robot, robot,
V tvoem serdtse elaktronnye meteli
Poleteli, poleteli, poleteli, poleteli
Poleteli, poleteli

Takaya lyubov', nereal-nyi polet
Iskusstvennyi med, iskusstvennyi led
Takaya lyubov', iskusstvennyi smekh
Iskusstvennyi sneg, I vse kak vo sne
I ya nikomu ne skazhu, chto ya robota lyublyu
Robota lyublyu, robota lyublyu
Robot, robot, robot,
Ya tebya lyublyu, my tak khoteli
Robot, robot, robot,
Ya tebya vklyuchu I poleteli
Robot, robot,
V tvoem serdtse elaktronnye meteli
Poleteli, poleteli, poleteli, poleteli
Robot, robot, robot,
Ya tebya lyublyu, my tak khoteli
Robot, robot, robot,
Ya tebya vklyuchu I poleteli

Robot, robot,
V tvoem serdtse elaktronnye meteli
Poleteli, poleteli, poleteli, poleteli
