

# So In Love

[Soluna](#)

Like a dream, a childhood fantasy  
You came to me, wiped me off my feet  
Like paradise lookin' in your eyes  
You take my breath away  
Baby, I'm here to say You make me feel special  
You're all that I need and more  
Fairytale do come true  
'cause they did when I met you-CHORUS-  
The only time I ever fell  
I fell for you  
Now I'm so in love  
So deep in love with you When I'm with you, I get lost in time  
When we're hand in hand  
Our dreams intertwined  
On and on like drifting off to sea  
Never ending, you're all I need You make me feel special  
You're all that I need and more  
Fairytale do come true  
'cause they did when I met you-CHORUS 2X-You make me feel special  
You're all that I need and more  
Fairytale do come true  
'cause they did when I met you-CHORUS 2X-(You make me feel special)  
The only time I ever fell  
(you're so incredible)  
I fell for you  
Now I'm so in love...
