

# Love Thing

## Nicky Harris

You know I don't wanna know  
Don't wanna know about that love thing  
Give me what I'm needing, you know what I'm dreaming of  
Don't wanna know about love thing  
Been broken hearted before  
But that's the last time it happens to me, yeah  
I keep on giving still you're asking for more  
Too much emotion baby, why can't you see  
I'm not afraid of your love  
(I'm not afraid of your love)  
Why can't you see I've had my share of that  
You're what I want boy  
You know you got boy  
You gotta want me  
It's just what I need  
I'm not that easy as a matter of fact  
There's no room for lovin' stop that push and shovin', yeah  
Don't wanna know about that love thing  
Give me what I'm needing, you know what I'm dreaming of  
Don't wanna know about that love thing  
Here we go, here we go, here we go  
Now don't go wasting my time, yeah  
(Go wasting my time)  
You're not the only thing I've got on my mind  
My friends are with me when you ain't been around  
Your precious words and promises ain't bringin' me down  
I've got some living to do  
(I've got some living to do)  
Don't assume I'm gonna be with you  
You gotta want boy  
You know you got boy  
You gotta want me  
It's just what I need  
I'm not that easy as a matter of fact  
There's no room for lovin' stop that push and shovin', yeah  
Don't wanna know about that love thing  
Give me what I'm needing, you know what I'm dreaming of  
Don't wanna know about that love thing  
Stop pushing

You're rushing  
                  You're losing my lovin'  
                  I hope it  
                  I see it  
                  Just play it  
                  You feel it  
                  Gotta be bold, bold and oh so strong  
                  Get with this and you got it goin' on  
                  On and on with the girls named spice  
                  You wanna get with us then you'd better think twice  
                  God help the mister, yeah God help the mister  
                  That comes between me and my sisters  
                  I'm not afraid of your love  
                  (I'm not afraid of your love)  
                  Why can't you see I've had my share of that  
                  You're what I want boy  
                  You know you got boy  
                  You gotta want me  
                  It's just what I need  
                  I'm not that easy as a matter of fact  
                  There's no room for lovin' stop that push and shovin', yeah  
                  Don't wanna know about that love thing  
                  Give me what I'm needing, you know what I'm dreaming of  
                  Don't wanna know about that love thing  
                  There's no room for lovin' stop that push and shovin', yeah  
                  Don't wanna know about that love thing  
                  Give me what I'm needing, you know what I'm dreaming of  
                  Don't wanna know about that love thing  
                  There's no room for lovin' stop that push and shovin', yeah  
                  Don't wanna know about that love thing  
                  Give me what I'm needing, you know what I'm dreaming of  
                  Don't wanna know about that love thing
