

Star (2003 Remix)

David Bowie

Tony went to fight in Belfast
Rudi stayed at home to starve
I could make it all worthwhile
As a rock and roll star
Bevan tried to change the nation
Sonny wants to turn the world, well he can tell you that he tried
I could make a transformation as a rock and roll star
So inviting, so enticing to play the part
I could play the wild mutation
As a rock and roll star, get it on yeah
I could do with the money
I'm so wiped out with things as they are
I'd send my photograph to my honey and I'd c'mon like
A regular superstar
I could make a transformation
As a rock and roll star
So inviting, so enticing to play the part
I could play the wild mutation
As a rock and roll star, get it on yeah
I could do with the money
I'm so wiped out with things as they are
I'd send my photograph to my honey and I'd c'mon like
A regular superstar
I could fall asleep at night
As a rock and roll star
I could fall in love all right
As a rock and roll star
Rock and roll star
Rock and roll star
Just watch me now
