

# Star (2003 Remix)

## David Bowie

Tony went to fight in Belfast  
Rudi stayed at home to starve  
I could make it all worthwhile  
As a rock and roll star  
Bevan tried to change the nation  
Sonny wants to turn the world, well he can tell you that he tried  
I could make a transformation as a rock and roll starSo inviting, so enticing to play the part  
I could play the wild mutation  
As a rock and roll star, get it on yeahI could do with the money  
I'm so wiped out with things as they are  
I'd send my photograph to my honey and I'd c'mon like  
A regular superstarI could make a transformation  
As a rock and roll starSo inviting, so enticing to play the part  
I could play the wild mutation  
As a rock and roll star, get it on yeahI could do with the money  
I'm so wiped out with things as they are  
I'd send my photograph to my honey and I'd c'mon like  
A regular superstarI could fall asleep at night  
As a rock and roll star  
I could fall in love all right  
As a rock and roll starRock and roll star  
Rock and roll star  
Just watch me now
