Why Don't You Spend the Night

Ronnie Milsap

How did it get so late
Where did the night go to
Strange how it slips away
When I'm with youI know it's almost two
I know you should leave
But wait I've thought it over
And there's something I gotta sayWhy don't you spend the night?
Somehow it seems so right
Why does it have to end so soon
Please stay till the morning lightIt's such a long way home
And you'd only be alone
Come on now
Why don't you spend the night?Maybe I spoke too soon
And maybe my timing's wrong
Or maybe it's something
I shouldn't have said at allBut when I look in your eyes
I feel like we're almost one
Something tells me
The night's only just begunWhy don't you spend the night?
Somehow it seems so right
Why does it have to end so soon
Please stay till the morning lightIt's such a long way home
And you'd only be alone
Come on girl
Why don't you spend the night?Why don't you spend the night?
Somehow it seems so right
Why does it have to end so soon
Please stay till the morning lightIt's such a long way home
And you'd only be alone
Come on now
Why don't you spend the night?Alright
Why don't you spend the night?
