

Space

Amber Mark

I know, it is hard to comprehend
Why won't you let me be in my head?
Alone, I need to be
So don't, straight up come walking in
I tried, to warn you many times
Now I, don't want to start a fight
But I, can't go on this way
So why, won't you just give me some time?

I've got real big goals
Need to be able
To focus
I-I may hurt your soul
But understand this is all
Devotion

Just go (can't stay)
You know (you're bae)
Just go (can't stay)
You know (you're bae)
Please don't (be mad)
Just need some space

Your pride has gotten out of line
Just try to understand my side
No lie, you are on my case
So why won't you just give me some time?
Give me some time
Give me some time
Give me some time

I've got real big goals
Need to be able
To focus
I-I may hurt your soul
But understand this is all
Devotion

Just go (can't stay)
You know (you're bae)

Just go (canâ€™t stay)
You know (youâ€™re bae)
Please donâ€™t (be mad)
Just need some space

Some space
Some space
