

Trying Not to Love You

Caroline Smith

My god, what does it mean when I call to talk
And I fall apart, you won't pick up your phone
Guess I can't admit that I'm over my head
That I'm falling down that slippery slope and climbing back into your bed
Please baby, let me go on living in the
eye of the storm
Please baby, let me go on thinking that I'm in control
When I'm trying not to love you
When I'm trying not to love you
When I'm trying not to love you
He leans. I Lean. Hanging on his candor
Just another fan girl
If he goes I follow cuz maybe if I'm with him
I won't get to thinking
Please baby, let me go on living in the eye of the storm
Please baby, let me go on thinking that I'm in control
When I'm trying not to love you
When I'm trying not to love you
When I'm trying not to love you
He leans. I Lean. Hanging on his candor
Just another fan girl
If he goes I follow cuz maybe if I'm with him
I won't get to thinking
It gets harder and harder and harder to ignore the bad things
When you keep on you keep on you keep on giving me things that aint good
Its gets harder and harder and harder cuz I'm starting to see
What you're keeping from me and still I'm begging for more and more baby
When I'm trying not to love you
When I'm trying not to love you
When I'm trying not to love you
