

# American Boy

## Big Head Todd and the Monsters

He's an American boy with his hair combed back  
He's gonna buy himself a nice new car  
He's gonna marry one of them pretty cookin' wives  
And die alone in a big old house  
Oh, he was an American boy He's gonna get a job that pays real well  
Go on vacation every year  
Have a fine young boy for the N.F.L.  
All without having to shed a tear.  
Oh, he was an American boy Yeah, the American boy is older now  
He's been shortened by the weight on his back  
He finally takes a look around to see.  
There were a lot of other things that he could have been.  
Oh, he was an American boy.
