

Love the Way You Lie, Pt. II (feat. Eminem)

Rihanna

[Rihanna]

On the first page of our story
The future seemed so bright
Then this thing turned out so evil
I don't know why I'm still surprised
Even angels have their wicked schemes
And you take that to new extremes
But you'll always be my hero
Even though you've lost your mind

[Chorus:]

Just gonna stand there and watch me burn
But that's all right because I like the way it hurts
Just gonna stand there and hear me cry
But that's all right because I love the way you lie
I love the way you lie
Oh, I love the way you lie

[Rihanna]

Now there's gravel in our voices
Glass is shattered from the fight
In this tug of war you'll always win
Even when I'm right
Cause you feed me fables from your hand
With violent words and empty threats
And it's sick that all these battles
Are what keeps me satisfied

[Chorus]

[Rihanna]

So maybe I'm a masochist
I try to run but I don't wanna ever leave
'Til the walls are going up
In smoke with all our memories

[Eminem]

It's morning, you wake, a sun ray hits your face
Smear'd makeup as we lay in the wake of destruction
Hush baby, speak softly, tell me you're awfully sorry

That you pushed me into the coffee table last night
So I can push you off me
Try and touch me so I can scream at you not to touch me
Run out the room and Iâ€™ll follow you like a lost puppy
Baby, without you Iâ€™m nothing, Iâ€™m so lost, hug me
Then tell me how ugly I am, but that youâ€™ll always love me
Then after that, shove me, in the aftermath of the
Destructive path that weâ€™re on, two psychopaths but we
Know that no matter how many knives we put in each otherâ€™s backs
That weâ€™ll have each otherâ€™s backs, â€™cause weâ€™re that lucky
Together, we move mountains, letâ€™s not make mountains out of molehills,
You hit me twice, yeah, but whoâ€™s countinâ€™?
I may have hit you three times, Iâ€™m startinâ€™ to lose count
But together, weâ€™ll live forever, we found the youth fountain
Our love is crazy, weâ€™re nuts, but I refuse counsellinâ€™
This house is too huge, if you move out Iâ€™ll burn all two thousand
Square feet of it to the ground, ainâ€™t shit you can do about it
'Cause with you Iâ€™m in my fuckinâ€™ mind, without you Iâ€™m out it

[Chorus]

I love the way you lie [3x]
