Walking In Your Footsteps

Shout Out Louds

It's where I'm coming from
It's where you're going
In a dark tunnel, blindfolded
It's where you leave your home
And I follow the steps into your future
Like I know what's coming
I follow you like a stray
And your back says I'm looking
Never mind what's ahead
Just don't stop
No don't stop
Because I'm walking in your footsteps
Covering your tracks down river
I'm walking in your footsteps
Turning dust into diamonds
This road is not your own, it's been covered
It's been chartered so many times
Every single line every warning sign is warn down and forgotten
I follow you like a stray
And your back says I'm looking

Never mind what's ahead
Just don't stop
No don't stop
Because I'm walking in your footsteps
Covering your tracks down river
I'm walking in your footsteps
Turning dust into diamonds
Turnin' the dust into diamonds
Turnin' turnin'
So never mind what's ahead
Just don't stop
No don't stop
Because I'm walking in your footsteps
Covering your tracks down river
I'm walking in your footsteps
Turning dust into diamonds
Oh I'm walking in your footsteps
Every single one

Turning dust into diamonds
Turning dust into diamonds
