

First Date

Danko Jones

First Date, Electricity
When you walk in, You Suck My Circuitry
Back It Up, With Attitude
When People Sweat it out, You Always Play It Cool
I Think I know You, I'm gonna Bet
That You like superchunk, And Joan Jett
Get your quick fix, In My Car
You Got A sweet Tooth ,And I'm your chocolate barAnd it goes on and on and on and on
on and on and on and onAnd I Say Heyyyyyyyyyyy
do you kiss on the first date?
Cause I Do, Cause I DoNew York Doll, On The Catwalk
I like the play it discret, You only wanna shock
Spray Paint your, tight jeans on
And cruise yourself, it don't feel wrong
So Take a chance, Give me a shot
You think I'm Bluffing? I think I'm not
Get on your high heels, give me a heart attack
I got a question, for your sweet assAnd I Say Heyyyyyyyyyyy
do you kiss on the first date
Cause I do, Do you too?
Wanna do it with you
If you do would you do what i do?Well hello baby you are looking hot tonight!
Can I hold your hand? Thank you
Now this is what were gonna do on our date today, were gonna do all the things the other couples like to do.
Were gonna go to a movie, have some dinner, take a walk, look at the moonlight, Anything you wanna do baby.
but i got a question:Do you kiss on the first date?
Hey let's do it on the first date?
Hey what do you do on the first date?
Hey do you kiss on the first date?
Cause I do, Cause I do, Cause I do , Cause I do
