

# Walking In the Sky

## Cut Copy

I am a man who's walking in the sky  
Please understand that I'm walking in the sky  
I'd take my seat but I'm walking in the sky  
I'd have belief but I'm walking in the sky You gotta live your life today  
Tomorrow is a world away  
You gotta go and free your mind  
Cause life is of your own design  
You gotta live your life today  
Tomorrow is a world away  
You gotta go and free your mind  
Cause life is of your own design Come take my hand cause I'm walking in the sky  
I've lost my friends but I'm walking in the sky  
I've crashed my car but I'm walking in the sky  
I think I'm home but I'm walking in the sky You gotta live your life today  
Tomorrow is a world away  
You gotta go and free your mind  
Cause life is of your own design  
You gotta live your life today  
Tomorrow is a world away  
You gotta go and free your mind  
Cause life is of your own design Come take my hand cause I'm walking in the sky  
I've lost my friends but I'm walking in the sky  
I've crashed my car but I'm walking in the sky  
I think I'm home but I'm walking in the sky
