Deth Red Moon

Danzig

Deth Red Moon
Long
Are The Twisted Vines
Growing & Knarled Inside
Look & You'll Find
That They Never Die
Long
Are The Twisted Vines
Deth Red Moon
Going Down
Deth Red Moon
Burning Down
Cold
Is The Wailing Night

Gone Are The Tranquil Skies
Look Round You'll See
All The Longing Eyes
Cold
Is The Wailing Night
Deth Red Moon
Going Down
Deth Red Moon
Burning Down
& There's No Escaping
From This Hell It's Making
& There's No Escaping Now
Burning Down
Deth Red Moon
Going Down
Deth Red Moon
