

# Deth Red Moon

**Danzig**

Deth Red Moon  
Long  
Are The Twisted Vines  
Growing & Knarled Inside  
Look & You'll Find  
That They Never Die  
Long  
Are The Twisted Vines  
Deth Red Moon  
Going Down  
Deth Red Moon  
Burning Down  
Cold  
Is The Wailing Night  
  
Gone Are The Tranquil Skies  
Look Round You'll See  
All The Longing Eyes  
Cold  
Is The Wailing Night  
Deth Red Moon  
Going Down  
Deth Red Moon  
Burning Down  
& There's No Escaping  
From This Hell It's Making  
& There's No Escaping Now  
Burning Down  
Deth Red Moon  
Going Down  
Deth Red Moon
