

# When I Grow Up

## Snoop Dogg

The Dogg Pound and the LBC  
Your baby is waiting for you  
That's that damn Snoop Dogg again  
He ain't nothin' but a fuckin' pimpMan Snoop you got a bad car  
When I grow up I wanna be just like you  
Look here little homeboy, let me tell you somethin'  
Don't never let me hear you say  
You wanna be like meYou could be a doctor, a lawyer  
A football player, a Laker, anything  
Just don't never let me hear you say  
You want to be like me  
You hear me? Yeah huhNow take these dollars and go give 'em  
To your brothers and sisters  
And you run on to school  
Thanks Snoop
