[Verse 1]

I woke up this morning
Didn't recognize the man in the mirror
Then I laughed and I said, "Oh silly me, that's just me"
Then I proceeded to brush some stranger's teeth
But they were my teeth, and I was weightless
Just quivering like some leaf come in the window of a restroom[Chorus]
I couldn't tell you what the hell it was supposed to mean
But it was a Monday, no a Tuesday, no Wednesday, Thursday, Friday
Then Saturday came around and I said "Who's this stupid clown blocking the bathroom sink?"[Bridge]
All he ever wanted was to be someone in life that was just like
All I want is to just have fun
Live my life like a son of a gun
I could be one thousand miles away but still mean what I say[Verse 2]

Then I woke up one morning
Didn't recognize the man in the mirror
Then I laughed and I said, "Oh silly me, that's just me"
Then I proceeded to not comb some stranger's hair
Never was my style[Chorus]
But I couldn't tell you what the hell it was supposed to mean
Because it was a Monday, no a Tuesday, no Wednesday, Thursday, Friday
Then Saturday came around and I said "Who's this stupid clown blocking the bathroom sink?"
But he was sporting all my clothes
I gotta say pretty pimpin[Bridge]
All he ever wanted was to be a man

But he was always a little too cute to be a minute under marbles lost
He was always a thousand miles away while still standing in front of your face[Verse 3]

Then he woke up this morning
Didn't recognize the boy in the mirror
Then laughed and said, "Oh silly me, that's just me"
Then I proceeded to brush some stranger's teeth
But they were my teeth, and I was weightless

Just quivering like some leaf come in the window of a restroom[Chorus]
And I couldn't tell you what the hell it was supposed to mean
Cause it was a Monday, no a Tuesday, no Wednesday, Thursday, Friday
Then Saturday came around and I said, "Who's this stupid clown blocking the bathroom sink?"
But he was sporting all my clothes
I gotta say pretty pimpin I woke up this morning, didn't recognize the boy in the mirror
I woke up this morning, didn't recognize the boy in the mirror
I woke up this morning, didn't recognize the boy in the mirror
I woke up this morning, didn't recognize the boy in the mirror
I woke up this morning, didn't recognize the boy in the mirror
