

Gimmie Some Head

GG Allin

Hey now girls, I want lip service
I don't wear a uniform and I'm not in the service
I'm in all day, never seeing the sun
But when the sun goes down into the night I cum
Girls, girls, girls, girls, gimmie, gimmie, gimmie some head
I like the nasty things that you do to me in bed
Girls, girls, girls, girls, gimmie, gimmie, gimmie some head
I like the nasty things that you do to me in bed
I used to be a porn freak, I was into the hand scene
I used to use magazines and be into the film screen
I used to sniff girls pantyhose
But there's nothing like a girl sitting on your nose
Girls, girls, girls, girls, gimmie, gimmie, gimmie some head
I like the nasty things that you do to me in bed
Girls, girls, girls, girls, gimmie, gimmie, gimmie some head
I like the nasty things that you do to me in bed
So Girls, girls, girls, girls, gimmie, gimmie, gimmie some head
I like the nasty things that you do to me in bed
Girls, girls, girls, girls, gimmie, gimmie, gimmie some head
I like the nasty things that you do to me in bed
Some girls they just like to tease
And other girls they aim to please
Some girls really stiffen my tongue
So spread your legs, I wanna get me some
Girls, girls, girls, girls, gimmie, gimmie, gimmie some head
I like the nasty things that you do to me in bed
Girls, girls, girls, girls, gimmie, gimmie, gimmie some head
I like the nasty things that you do to me in bed
