

# Dying to Try This

## Guided By Voices

Dying to try this  
Now I decline  
Too busy sketching a sublime  
Picture of you  
Wisdom and truth  
Cigarette in one hand  
And a beer in the other  
Dying to try this  
Now I know  
Dying to try this  
Now I know  
Dying to try this  
Now I decline  
Now I decline
