Dear You

Syleena Johnson

It's crazy how the time goes by
And you faithfully everyday been by my side
Even through our hardest times
When I wouldn't talk to you or try to see your point of viewSo I'm writing you to let you know, that your patience
And your graciousness gave me strength to help me grow
And I appreciate the things that you've done
Because your love has taught me how to be a better woman in youYou, oh you, have always been down for me
Even provided for me
I, oh I don't know what I'd do without you
'Cuz I can't be without youAnd I'm sorry I turned my back on you
And holding you responsible for me not loving you
And I know I was wrong to feel that way
But you, where the closest one to me to blameSo I'm writing you to let you know
That I was the only one responsible for my pain and my worries
At times when I feel worthless
You still listen to my burdens and I'm so gratefulYou, oh you, have always been down for me
Even provided for me
I, oh I don't know what I'd do without you
'Cuz I can't be without youI'm writing to tell you, can't be without you
Oh please none above you, can't be without you
I really do love you, can't be without you
I appreciate you and all that you doYou, oh you, have always been down for me
Even provided for me
I, oh I don't know what I'd do without you
'Cuz I can't be without youYou, oh you, have always been down for me
Even provided for me
I, oh I don't know what I'd do without you
'Cuz I can't be without you
