The Pleasure Principle

Janet Jackson

You might think I'm crazy but I'm serious
It's better you know now
What I thought was happiness
Was only part-time bliss
You can take a bowIt was all just one big night out on the town
Riding in your limousine
We turned right, then I said wrong
Which brings us to a stop
As the light is changingOh, my meter's running
So I've got to go nowIt's the pleasure principle, oh
It's the principle of pleasure, oh
It's the pleasure principle, ohIt's true you want to build your life on guarantees
Hey, take a ride in a big yellow taxi
I'm not here to feed your insecurities
I wanted you to love meThis has become an all too familiar scene
It's not the first time I've paid the fare
Where'd you get the idea of material possession?
Thank you for the ride nowhereAnd oh, my meter's running
So I've really got to goIt's the pleasure principle, oh
It's the principle of pleasure, oh
It's the pleasure principle, ohI know what you mean to me
Baby this is nowhere
You know what became between you and me
Human differentialIt's the principle of pleasure, oh
It's the pleasure principle, principle, ohYou might say that I'm no good for you
I wouldn't trust your looks, baby if I could
I got too many things I wanna do
Before I'm through, heyIt's the pleasure principle
It's the pleasure principle
It's the pleasure principleBaby you can hold me down
Baby you can hold me down
After all the love that we've been through
After all you put me through, yeah
Love me, hey, love meIt's the pleasure principle
Yeah yeah, yeah yeah
