

# Set Me Free

## Ektomorf

It's the land of the hate  
The frustration is growing  
I loose control, no hope  
Our father in heaven look at me  
See the pain see the suffer  
I can't take this anymoreSet me free  
Set me free  
Set me free  
Set me freeHuman race it's a disgrace  
Arrogant fucking fake  
No respect no regret no shame  
Our father in heaven  
Look at me, see my pain  
Don't let me feel this painSet me free  
Set me free  
Set me free  
Set me free
