

How Long

The Benjamin Gate

Stand and I wait and I see
See you move, move around me
Nothing is as it would seem to be Stand and I pray and I feel
Feel You move, move around me
Is it all coming clear to me How long can we wait, will we wait for You to come?
How long can we wait, will we wait for You to come?
How long can we wait, will we wait for You to come?
And lay ourselves down before You Stand and I wait and I see
See You move, move around me
Nothing is as it would seem to be Stand and I pray and I feel
Feel You move, move around me
Is it all coming clear to me How long can we wait, will we wait for You to come?
How long can we wait, will we wait for You to come?
How long can we wait, will we wait for You to come?
And lay ourselves down before You
And lay ourselves down before You I will wait
I will wait for You How long can we wait, will we wait, can we wait for You to come?
How long can we wait, will we wait for You to come?
How long can we wait, will we wait for You to come?
And lay ourselves down before You
And lay ourselves down before You How long, how long
How long
