

Slow Down

[Milosh](#)

when the walls are leaning in
a quiet calm is creeping in
and it's all a little hectic
a little hectic
and you'd love to walk away
and you'd love to walk away you're my baby
you're my baby can we all just slow down
can we all just slow down
can we all just slow down
can we all just slow down
oh i want this time
oh i want this time
oh i want this time
