

Boys of Summer

Code seven

Nobody on the roads, nobody on the beach
I feel it in the air, the summer's out of reach
Empty lake, empty streets, sun goes down alone
I'm drivin' by your house, though I know you're not at home
But I can see you, your brown skin shinin' in the sun
You got your hair combed back and sunglasses on, baby
I can tell you, my love for you will still be strong
After the boys of summer have gone
I never will forget those nights, I wonder if it was a dream
Remember how you made me crazy?
Remember how I made you scream
And I don't understand what happened to our love
But babe, I'm gonna get you back
Gonna show you what I'm made of
But I can see you, your brown skin shinin' in the sun
You got your hair combed back and sunglasses on, baby
I can tell you, my love for you will still be strong
After the boys of summer have gone
Out on the road today, I saw a deadhead sticker on a Cadillac
Little voice inside my head said
"Don't look back, you can never look back"
I thought I knew what love was, what did I know?
Those days are gone forever, I should have just let them go
But I can see you, your brown skin shinin' in the sun
You got your hair combed back and sunglasses on, baby
I can tell you, my love for you will still be strong
After the boys of summer have gone
I can see you, your brown skin shinin' in the sun
You got your hair combed back and sunglasses on, baby
I can tell you, my love for you will still be strong
After the boys of summer have gone
