## Dystopian Society

I've lived my life on the edge of a knife  
And I can't give it up  
In the fast lane of misery and pain  
And I can't give it up  
I've had a good time on the weeds and the wine  
And I can't give it up  
I've been up and down, below and above ground  
And I can't give it up  
And I can't give it up  
Better under the table than under the ground  
And I can't give it up  
I like what I take but my life's a mistake  
And I can't give it up  
It all went wrong the day I was born  
And I can't give it up  
I've tried to invest but I was a mess  
And I can't give it up  
And I can't give it up  
It's hard to refuse when you've nothing to lose  
And I can't give it up  
I need to drink more, my life's such a bore  
And I can't give it up  
I've had my fill and I made my will  
And I can't give it up  
I drink all I can 'cause it makes me a man  
And I can't give it up  
And I can't give it up
