

Still In Love Song (Single Version)

The Stills

When we were lovers
we were kissers
we were holders of hands
we were make believers
just losing time
and you said you'd rather live in t.v land
than say that you care but you don't
that's heartless and i will not cry
but i'm still in love and i'm still in love
yeah i'm still in love and i'm still in love
your dreams of acting on screen
what do they mean
you'll be dancing senseless in your bedroom
and you find yourself out of a job
and before too long you'll be selling lemonade
to the overpaid
and i'm still in love and i'm still in love
and i'm still in love and i'm still in love
and i'm still in love and i'm still in love
i remember it was summer
i was out of my head but you weren't your selfish and a
waste of space
but i'm still in love and i'm still in love
and i'm still in love and i'm still in love
and i'm still in love and i'm still in love
and i'm still in love
