

# Great Hosannas

## Joe Pug

Aspirations, flat refusals  
Childhood bedrooms, disapproval  
Would be authors, erstwhile singers  
Costume jewelry, ballpark figures  
Naked power, basic sidekick  
True love's call gone unrequited Great hosannas, Sunday Christians  
Broken Spanish, postcard missions  
Payed compassion, sponsored mercy  
Remunerated soul searching  
Wishful thinking, best intentions  
Friendships based on chain-link fences Silent partners, business ventures  
Closet smokers, payday lenders  
Rolex watches, walk-in closets  
Floodlights drained on open faucets  
Great hosannahs, grinning Barrick  
What ruthless men stand to inherit
