Something To Remind You

Staind

So this is it I say goodbye
To this chapter of my every changing life
And there's mistakes and the path is long
And I'm sure I'll answer for them when I'm gone
So when the day comes in the sun won't touch my face
Tell the ones who cared enough that I finally left this placeThat's been so cold look at my face
All the stories it will tell I can't erase
The road is long
Just one more song
A little something to remind you
when I'm gone
When I'm goneThe road to hell along the way
Is paved with good intentions so they say
And some believe that no good deed
Goes unpunished in the end or so it seems
So when the day comes in the sun won't touch my face
Tell the ones who cared enough that I finally left this placeThat's been so cold look at my face
All the stories it will tell I can't erase
The road is long
Just one more song
A little something to remind when I'm gone
When I'm goneSo this is it I say goodbye
To this chapter of my every changing life
And there's mistakes and the path is long
And I'm sure I'll answer for them when I'm gone
