The Shape

Galactic Cowboys

I've Always Kept To Myself
I've Always Been A Model Citizen
I've Always Kept My Nose Clean
I've Always Stayed Out Of Your BusinessBit My Tongue When I Should've Said
Something About The Shape You're InI've Always Kept To Myself
I've Always Let You Have Your Privacy
I've Always Kept My Hands Clean
No One Could Beat Your Secret Out Of MeBit My Tongue When I Should've Said
Something About The Shape You're InExcept For The Time I Didn't
Except For The Time That I Didn't Rely
On The Feelings Inside
Except For The Time That I Didn't Deny
A Worthy Reply...Except For The TimeI've Always Kept To Myself
I've Always Been A Model Citizen
I've Always Kept My Nose Clean
I've Always Stayed Out Of Your Private Business
