Waitin' on Me

Emerson Drive

Let me set you straight
Just in case there's a trace of doubt
Since you came along
I know what it's all aboutIf it were up to me, I know it's not, but if it was
We'd skip formality and we would be in loveBaby, are you thinkin' what I'm thinkin'
'Cause I'm thinkin', baby, we could make it, you and me
Come a little closer, hand your heart over and see
Precious time's a wastin', baby, if you're waitin' on meGirl, I've never been torn up turned inside out
I'm feelin' a feelin that I never have felt til nowIf it were up to me, I know it's not, but if it was
We'd skip formality and we would be in loveBaby, are you thinkin' what I'm thinkin'
'Cause I'm thinkin', baby, we could make it, you and me
Come a little closer, hand your heart over and see
Precious time's a wastin', baby, if you're waitin' on meTo be the one you run to when your tears fall down
I'll always be there for you like I am right nowBaby, are you thinkin' what I'm thinkin'
'Cause I'm thinkin', baby, we could make it, you and me
Come a little closer, hand your heart over and see
Precious time's a wastin', baby, if you're waitin' on me
