

Drowning by Numbers

Placebo

Open up your heart, let me slip inside
Such determination always tries to turn the tide
Open up your arms, let me dive into
The big, big blueTry losing this chromosome
It's my choosing, down to the boneOpen up your heart, let me slip inside
Such imagination always helps the feeling slide
Open up your soul, falling back into
The big, big blueTry losing this chromosome
It's my choosing, down to the boneBlood, dive in
Blood, drowning
Blood, dive inBlood, dive in
Blood, drowning
Blood, dive inOpen up your heart, let me slip inside
Auto-flagellation always helps the ghost to hide
Open up your arms, let me dive into
The big, big blueTry losing this chromosome
It's my choosing, down to the boneBlood, dive in
Blood, drowning
Blood, dive inBlood, dive in
Blood, drowning
Blood, dive in
